Orbit Exports Ltd. selects Merino Services to implement Infor Solutions to Drive Business Agility

Orbit Exports Ltd. is an established Manufacturer & Exporter of novelty fabrics catering to Christmas Crafts, Home Decor, Women Apparel & other occasion specific fabrics.

Delhi, India – January 12th, 2015

Merino Services a leading Business Consulting and IT Services Company and a fully owned subsidiary of USD 200 million Merino Group, today announced that Orbit Exports Ltd. has selected Merino Services to implement Infor ERP LN to manage its complex business operations.

Merino services will deploy Infor LN to integrate Orbit Exports Ltd.'s business operations across multiple locations. Infor is fundamentally changing the way information is published and consumed in the enterprise, helping 70,000 customers in more than 200 countries and territories improve operations, drive growth, and quickly adapt to changes in business demands. Infor offers deep industry-specific applications and suites, engineered for speed, and with an innovative user experience design that is simple, transparent, and elegant.

News Points

- Infor solutions with a strong micro-vertical focus catering to complex manufacturing needs of Orbit Exports was selected over other solutions that were rigid, expensive to maintain and lacked ease of use.
- With the combined strengths of Infor LN, the company will address its
 requirements of seamless integration among global offices & aligning
 complicated textile manufacturing process with its long term vision of business
 growth and global expansion.
- With Infor solutions, Orbit Exports aims to increase visibility, improve business
 profitability with reduced wastage, reduced order to cash cycle, increase
 accountability across the organization and improve customer experience.

About Orbit Exports Limited:

Incorporated in 1984the company is one of India's largest exporters of novelty fabrics. Besides use in manufacture of garments, products of the company find usage in accessories such as hand bags, footwear, belts, hair bands, packaging and home furnishings. The fabrics can also be used for making fancy ribbons and bows for gift packaging.

The company has its manufacturing facilities in Gujarat & Maharashtra and its corporate office in Mumbai. Orbit's global reach is testament to its success, with the company having established prolific operations in the USA, Latin America, Africa, Europe and the Far East. The Vision of the Management, coupled with the relentless efforts of the employees, has helped Orbit Exports to become one of the fastest growing companies in the Textile sector.
