

## Merino Consulting Services selected as Premier Delivery Partner by Infor

Tilburg, Feb 1, 2017

Merino Consulting Services BV today announced that they have been selected by Infor, a leading provider of beautiful business applications specialized by industry and built for the cloud, as Global Premier Delivery partner, an important extension to the existing IPN agreement between Merino Consulting Services and Infor.

As a strategic partner with distinct qualifications Merino Consulting Services provides a complete delivery model in conjunction with Infor Services. As Premier Delivery Partner with global presence Merino Consulting Services is recognized for its high standard implementation services, functional (Infor LN) and technical product expertise (Infor Xi Platform) and deep vertical experience in industries like Automotive, Industrial Machinery & Equipment, Project Manufacturing, Aerospace & Defense and Cable & Dimensions.

Merino Consulting Services is embarking on a growth path and is actively looking for new consultants. "As many customers and Infor confirmed multiple times before: we have the best people and we are the best equipped to serve the Infor LN market on a global scale" says Frank Manders Managing Director, Merino Consulting Services. "We will succeed in our mission to become the premier LN service partner in the world with the best people, the best methodology and the best structure: a great place to work!"

"Merino has the network and the means to attract and on-board consultants fast. Merino believes in a multi-cultural organization, which we believe is important to make the ambition of a global organization come true". Merino hires and trains new LN consultants, from experienced consultants who worked with another ERP system to fresh graduates. For this Merino relies on its Merino Academy where we trained new consultants for the last 6 years", informs Frank Manders.

"Over the last eight years Infor and its customers worldwide have benefitted from the outstanding support we have had from the Merino Group," says Peter Williamson, VP Professional Services for Europe, Infor. "Merino's collaborative approach in both sales and delivery plus their deep product consulting capabilities make them a valued partner in Infor's continued success around the world."
