

CREATING FUTURE ENTERPRISES

Bikash Lohia Managing Director

MESSAGE FROM THE MANAGING DIRECTOR

We aim to be Partner-in-Progress with our esteemed clients, helping them maximize return on the investments they make on Enterprise solutions.

ABOUT MERINO SERVICES

Powered with security and precision Merino helps to strengthen the business and drive profit rapidly

A fully owned subsidiary of USD 200 million Merino Group, Merino Services is a Business Consulting and IT Services company. Merino Group has a diverse business portfolio in the manufacturing industry across segments such as modular furniture, high-pressure and low-pressure laminates, and farm-to-plate.

Merino Services is committed towards improvement in our customers businesses. Being a firm believer in the value of long-term relationships, our engagement mantra is Partners to Progress.

We specialize in design and implementation of technology-enabled solutions. Our zealous pursuit to go the extra-mile to provide value-added services results in attainment of much more than the target Rol from our services. Merino Services has a multi-national footprint that is further accentuated by our strategic alliance partners. We synergistically work with our partners to extend a wide array of business offerings across various industries.

Our team comprises of domain experts who leverage the tools of innovation and creativity to overcome the unique challenges posed by each project.
